

# The Johari & Jimmy Rollins Center for Animal Rehabilitation

Rehabilitation and pain management services at Saint Francis. A partnership with Johari and Jimmy Rollins, All-Star shortstop for the Philadelphia Phillies.

The Johari and Jimmy Rollins Center for Animal Rehabilitation is a state of the art animal physical rehabilitation service for pets. Offering pets the kinds of advanced modalities typically employed in human rehabilitative medicine, The Rollins Center seeks to uphold a 'gold standard' for veterinary rehabilitation and pain management.
